HO-3 Quote Proposal

Better together

At Mutual of Enumclaw, we believe that insurance shouldn't be complicated. That's why we created Member's Best, a new product that combines home and auto coverage to make something better. Besides the simplicity of one bill and one premium, Member's Best also gives you a collection of valuable benefits at no additional charge.

These are just some of the benefits you will receive if you select Member's Best:

For your Home & Auto:

Pet Injury

- Up to \$500 for veterinary expenses if your dog or cat has been injured as a result of a covered loss, or
- \$500 if your dog or cat dies as a result of the covered loss
- \$1,000 maximum benefit
- The loss must either be on your insured location or in your vehicle (if you have purchased collision coverage on at least one auto)

Single Deductible

If you experience losses covered by more than one policy (in a single occurrence), only the highest applicable deductible will apply.

For your Home:

Replacement Cost Contents

Pays the replacement cost for personal property damaged or stolen in a covered loss.

Limited Ordinance or Law Coverage

Covers expenses related to zoning, land-use, or building code changes.

Keys and Locks

We will pay for reasonable expenses to rekey or replace lost or stolen locks or automatic garage door transmitters.

Identity Fraud Expense

- We will pay up to \$5,000 for expenses that are a direct result of identity fraud.
- This is in addition to the identity management services that are available, free of charge, to you as a Member's Best policyholder.

For your Auto(s):

Deductible Waiver for Not at Fault Accidents

We will waive the collision deductible when the other party's insurance company accepts responsibility for the damage to your vehicle.

Towing and Roadside on all vehicles

We will provide access to 24-hour toll-free towing and roadside assistance.

Child Safety Seat Replacement

We will reimburse you for the replacement of child safety seats if they were in your car at the time of a covered loss.

Personal Property

- We will pay up to \$500 per occurrence for a covered loss to personal property owned by you or a family member, while located in your covered auto.
- Note: your auto must have Comprehensive and Collision coverage.

Emergency Expenses

- We will pay up to \$100 for travel expenses if your car is disabled to a degree it cannot be driven safely.
- We will pay up to \$500 for travel expenses if your car is inoperable or unsafe due to a covered Comprehensive or Collision loss that occurs more than 50 miles from your home.

Lock and Key

If the keys, electronic keys, or electronic remote control pads to your covered auto are lost or stolen, we will reimburse the cost of replacing your keys or rekeying your car (up to \$1,000).

Also Available in Member's Best:

Limited New Car Replacement and GAP Coverage (optional coverage available for purchase)

- If you have a brand new vehicle, contact your agent to see if this coverage is right for you.
- Provides additional coverage if your new car is totaled.
